

Flowing Watercolor Workshop **with Bonny Lundy in Costa Rica** **July 7-17, 2018 BonnyLundy.com**

Step into a memorable adventure as we explore the rainforest, cloud forest, waterfalls, Laguna Arenal, and Monteverde. Stay in spacious private rooms at Finca Luna Nueva Lodge, a biodynamic, organic farm with gardens and forest.

Maryland Art Instructor **Bonny Lundy** has a passion for painting nature and will inspire you to express yourself in this tropical paradise. You will be able to sketch, paint and photograph plants, birds, frogs, butterflies, hummingbirds and so many other natural wonders. We will likely see sloths, howler monkeys, red-eyed tree frogs, keel billed toucans, morpho butterflies and rare plants. Enjoy spending time with horticulturist **Holly Shimizu** who has previous experience in Costa Rica. Visit local artists, learn about sacred seeds, cacao trees, reforestation, and more.

Registration and Information at:
